Then, ask for a written document from your school of graduation which can prove that all your courses in that school were taught in English. Finally, upload a photocopy of the document.

You will need to clarify your work experience and current post (if any), if you are not graduate of the current year or you plan to apply for universities located in Shandong Province. If you are a graduate of the current year, download “Statement of Current Year’s Graduate” in the download center. Then print out the statement, sign it, and upload a photocopy of it.
