Dear Sir,

RECOMMENDATION: WIAFE AKENTEN MENDS
(STUDENT ID/UUN: S1051425)

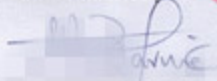

I write in support of Wiafe Akenten Mends' application to read a Post Graduate Programme in your institution. I have known the applicant for four years as a student in courses that I handle.

The applicant read Sociology and Economics at the Under Graduate Level and obtained a Bachelor of Art Degree Second Class (Lower Division). Having pursued courses in Sociology and Economics and other courses such as Social Statistics, Social Development and Research Methods among others, I think he is suitable for the programme being sought for.

As a student, Wiafe Akenten Mends is diligent in his academic work. He has the ability to prioritize tasks and meet deadlines. He is highly motivated, balanced and has the ability to critically analyze issues. The applicant is also conversant with computers.

Though English is not her native language, he speaks, writes and comprehends English. Having pursued a course in Communication Skills for two semesters and received academic instructions in English, I am certain the applicant is proficient in English Language. I therefore recommend him for consideration for the programme he is seeking.

Yours faithfully

Wiafe Akenten Mends
