Dear Sir/Madam,

Statement of Employment of Wiafe Akenten Mends

This statement is for and on behalf of St. James Baptist Church to affirm our relationship with Deacon Mends Wiafe Akenten, the Finance Manager/Controller who is looking for admission to pursue further studies at your respected University.

Deacon Mends as he is referred assumed full-time position of Finance Manager/Controller of the Church on 18th February 2011 after many years of voluntary duties. He is a wonderful person with a lot of potentials. Besides, his exemplary leadership has been very remarkable in areas of finance and human development. He has an unmatched commitment to duty and voluntarism.

Based on his academic and professional background, St. James Baptist Church has benefited immensely in areas like finance, human resources, youth ministry, and teachings among others. As financial controller he has ensured that sound financial policies are implemented by the church; one of the feats the local church will forever be very grateful to him! Beyond the above, he does not relent in his efforts in sharing the word of God.

We would have wished to have him around all the time to tape his knowledge for the growth of the church. However, we are encouraged that his departure is as a result of academic pursuit which we envisage will further make him more useful to the church in his return.

We pray for his admission to enable him pursue master studies to broaden his mind for future contribution to the growth of the church, Ghana and wider world.

Thank you
Yours faithfully
