Overview of Shandong Jiaotong University

Founded in 1956, SDJTU is a comprehensive and national key university with an international reputation for excellence in teaching and research. SDJTU is known as the only university cultivating air-sea-land professionals in Shandong Province. It has campuses in Jinan and Weihai, with a total area of over 3200 mu. SDJTU is featured by the field such as liberal arts, science, engineering, economy, management, law and art. Especially, railway engineering and logistics engineering, vehicle operation engineering, bridge and tunnel engineering as well as transportation planning and management are key disciplines in the 13th Five-Year Plan. Majors like transportation and civil engineering are national-level characteristic specialties. Shandong Jiaotong University is proud of its outstanding employment rate. Since its establishment, SDJTU has cultivated more than 100 thousand professional talents in various occupations. They have made great contribution to the national construction and social advancement. The remarkable achievements of SDJTU have won itself an extensive international reputation.

8 Top Reasons to Study in Shandong Jiaotong University

1. One Hour to Jinan Downtown Area, Two Hours to Beijing--Convenient Traffic:

SDJTU Located in Jinan city, one of the safest city in China, as Provincial capital of Shandong Province, Jinan is the economic and cultural center of Shandong. It is an inclusive city where you can make friends from all over China and even from all over the world.

2: 100% Employment Rate & Rich Internship Chance

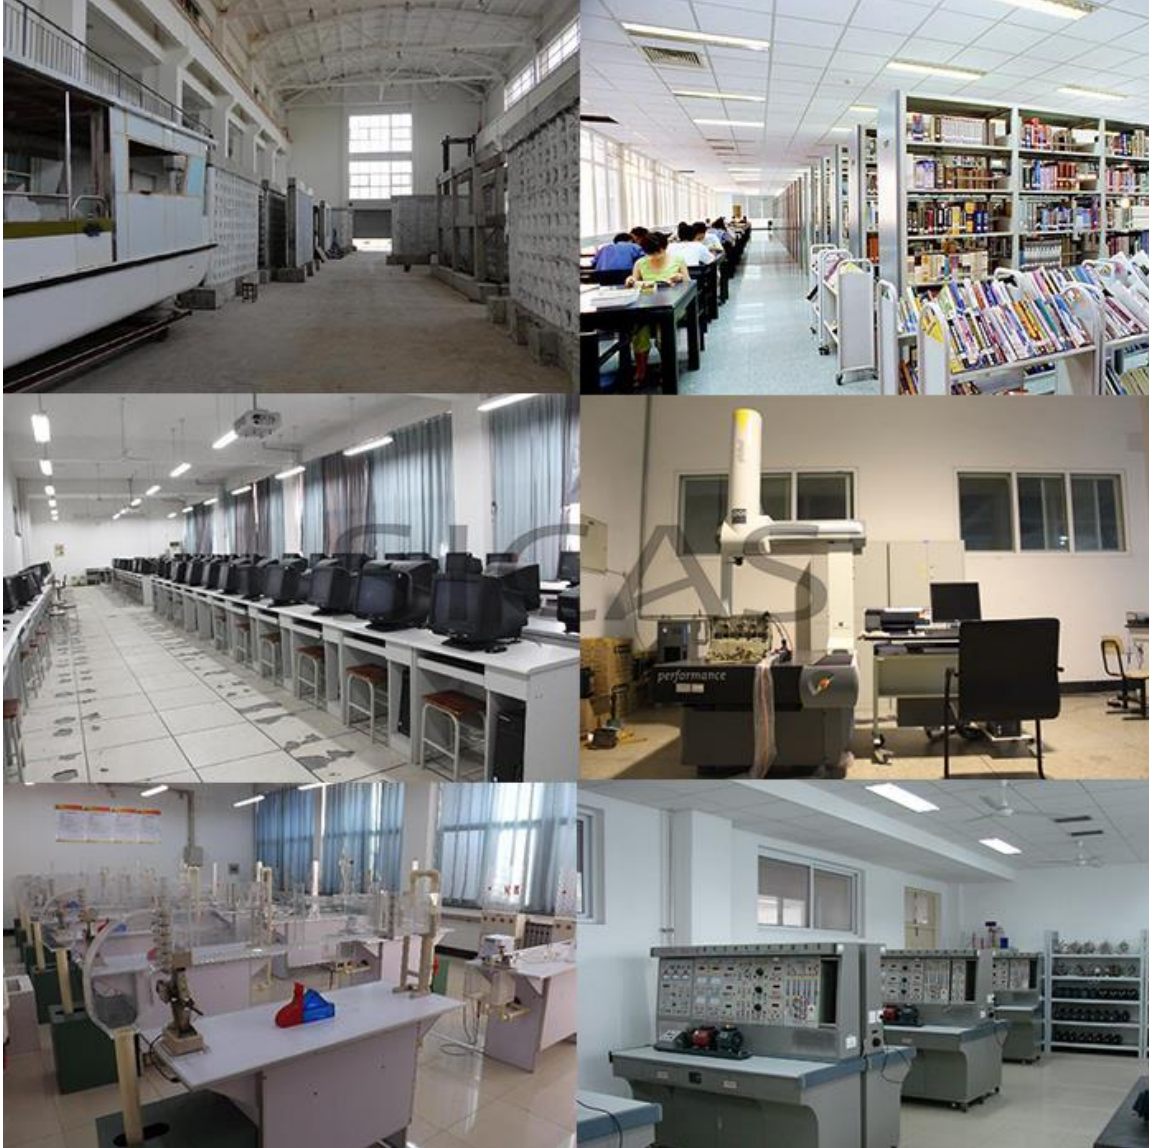

SDJTU has more than 60 years of history of running a school, the campus occupies a large area of more than 3200 Chinese mu. Until now there are 14 department and 69 majors can be chosen

including the earliest logistics major in Shandong Province. As the unique applied university experimental unit in Shandong province (there are totally 38 experimental units in the whole country), SDJTU is aimed to cultivate managers and engineers in the frontline of transportation and other related fields. The applied talents cultivated by Shandong Jiaotong University are welcomed by many state-owned enterprises and even transnational enterprises. The average one-time employment rate is more than 95%, ranking in the forefront of similar colleges and universities. SDJTU is included in the "National top 50 colleges ranking by the employment situation of graduates." The world's largest sea bridge -Qingdao Sea Crossing Bridge is designed by the alumni of SDJTU.

3: Excellent Facility& More Than 70 Labs:

SDJTU provides comfortable on-campus accommodation with brand-new facilities and equipment to deliver an exceptional experience. It also has quite corners, landscaped gardens and common rooms where you can relax and spend time with your friends. what's more you will have access to brand new labs and libraries on the campus. There are totally more than 70 labs in SDJTU.

4: Multiculturalism and the Sense of Belonging

The school attaches great importance to the education of foreign students, and until now there are nearly 300 students from 42 countries. In addition to professional courses, international students can also participate in rich academic and non academic lectures, colorful extracurricular activities and many internship opportunities.

5: 39200 RMB Scholarship Chance

SDJTU offers partial scholarship for excellent students who dream of studying in China. All applicants have a chance to get a scholarship as SDJTU values the potential of students rather than merely look at their previous performance at secondary school. Your academic and overall performance will be assessed annually and your scholarship will be offered based on the assessment result.

6: 3000 USD Salary--Internship Opportunities and High Salary: SDJTU put an emphasis on application-oriented teaching method. It provides plenty of social practice opportunities and internship for overseas students so as to enhance their employability and transferable skills, such as communication, adaptability and even language skills. All of these factors account for its outstanding employment rate among over 300,0 universities in China. Last year, statistics show that the average salary of SDJTU graduates reaches 3000 usd per month.

7: 3 Stars Accommodation Condition

International student dormitories are equipped with elevators. And there are single room, double room and four-person room available. Measuring around 20 square meters in size, each room is facilitated private balcony, bathroom, air conditioner, refrigerator, wardrobe, desk, bookrack, 24-hour hot water. For each floor, there are washroom and kitchen. Also, vending machine and self-help coffee maker can be find in the first floor of each building.

8. SDJTU has provided world-class teaching for more than 60 years

You'll experience the very best in teaching and research. Through the hands-on and innovative approach, the professors of SDJTU will equip you with the skills, insights and perspectives to enhance your employ ability and career prospects. The president of SDJTU is present auditing around the lectures every day to check and improve the teaching and researching quality of each department and school. This practice ensures that teachers are committed to high quality and innovative teaching.

Internship Opportunity

The ability to put theory into practice is highly valued by employers in today's competitive job market. In response to that, SDJTU put an emphasis on application oriented teaching method. What's more, its connections with government bodies and renown multinational corporations enable it to provide plenty of social practice opportunities and internship for overseas students so as to enhance their employability and transferable skills, such as communication, adaptability and even language skills. All of these factors account for its outstanding employment rate among over 300,0 universities in China. Last year, statistics show that the average salary of SDJTU graduates reaches 3000 usd per month.
